MEMORANDUM FOR THE FILES

25X1A

SUBJECT: - Application for a Federal Income
Tax Exemption

1. On 15 September 1952, an application for a Federal income tax exemption was submitted by hand from the undersigned to Maj. Dunlap, BIR. The file contained the covering letter, together with a form 1023 and copies of the charter and by-laws. While the answers to question 17 on form 1023 had not been provided, Maj. Dunlap did not apparently feel that this was sufficiently relevant to warrant completion and resubmission. He will advise me what action has ultimately been taken in regard to the application.
